

The **Best** Aluminium **Roof** Just Got **Better**

- ✓ **Fitter Friendly & Time Saving**

Half the time to install & easier to fit.

- ✓ **Polyamide Thermally Broken**

Enhanced polyamide thermal break for excellent efficiency.

- ✓ **5° - 45° Pitch**

Unique design that can create greater pitches unlike other roof systems.

- ✓ **Affordable**

RAL colours are more cost effective; with single or dual colour available.

- ✓ **Super Slim Vents**

Just 45mm above the glass.

- ✓ **Structural Ring Beam**

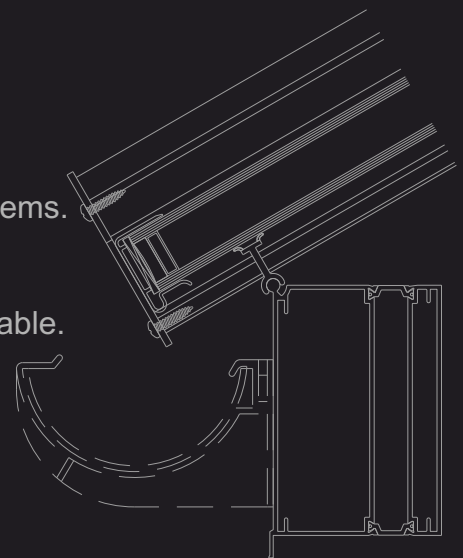

Can span large apertures - perfect for over bi-folding doors.

Old Vent

New Slimmer Vent
